You can apply for visa through any of these service providers depending on whether you want to apply directly or through a travel agent or a visa agent. You can approach in person at any of their branches in Israel. You

will have to pay only NIS 50 including VAT towards the service charges to them in addition to the visa fee as applicable.

If you want to apply through an agent, you will also have to bear the agency charges payable to the agent concerned in addition to the service charge of NIS 50 including VAT payable to the service provider and the visa fee as applicable.

You may submit your visa application form along with passport, relevant documents and necessary charges to one of these service providers or to an agent as the case may be. Passports with visas can be collected from the same service provider or the agent.
